

Roadway Maintenance Technician Apprentice

Are you looking for a position that combines your interest in construction and snow plowing AND allows you to go to school? We have the position for you! We are currently accepting applications for a Roadway Maintenance Technician Apprentice. Following the State of Wisconsin guidelines for work-based learning, this position will allow you to go to school while receiving on-the-job training to become a roadway maintenance technician. As an apprentice, you will progressively gain skills through the Wisconsin DWD's Roadway Maintenance Technician Apprenticeship curriculum and use those skills to perform street maintenance tasks within the City's Streets Division.

What are we looking for?

Required:

- High School diploma or equivalent (GED, etc.)
- Possess or obtain and maintain:
 - A valid Class B CDL license with P and N endorsements (within six months of hire) and a valid Class A CDL license (by the end of the program)
 - All special provisions detailed in Appendix A of the job description
 - OSHA Competent Person Training, Confined Space Certification, Flagger Training, Mine Safety Hazard Awareness, Adult First Aid/CPR/AED (prior to the completion of the program)
- Ability to report to the Central Maintenance Facility (910 Forest Street) within 30 minutes
- Successfully complete Transition to Trainer in the final year of the program

Preferred:

- Prior experience in general construction

Why apply?

- Wage Range: \$15.73 to 16.60 per hour
- Full-Time Apprenticeship
- This program consists of not less than 4,288 hours of on-the-job learning including 288 hours of paid related instruction through the Wisconsin Technical College System
- Excellent Fringe Benefits (including health insurance, vacation time, sick leave, etc.)
- Opportunity to serve your community!

How do I apply?

Online application, written prompt, and complete job description at www.eauclairewi.gov/jobs.

Application Deadline: May 3rd, 2021
